RECEIVING AND DOWNLOADING SWAB REPORTS

- **ANTIGENIC SWAB TEST**
The provisional report will be delivered by hand to the user, in paper format, to access the event. Later the report will be sent by email in encrypted .pdf format, which can be opened using your personal password.
- **MOLECULAR SWAB TEST**
The report will be sent to the user via e-mail in encrypted .pdf format, which can be opened using the personal password.
- **PERSONAL PASSWORD**
At the time of the test, for each swab taken, a decryption password will be delivered in paper form. This password opens the encrypted .pdf with the results, which you will get by e-mail.
- **MAIL FROM THE MINISTRY OF HEALTH**
In addition to the report from the LifeBrain laboratory, an email from the Ministry of Health will also automatically arrive containing the links and codes to obtain your **QRCode - Green Pass**.
- **ATTENTION**
The email containing the report arrives from the following address - noreply@lifebrain.it. It is recommended that you check your spam in case of non-receipt of the report. The report is compressed in a .zip file, which is safe to extract.
