

Key Energy 2020

03 / 04 / 05 / 06 NOVEMBER

Legend

-  Key Efficiency
-  Key Energy
-  Key Solar
-  Key Storage
-  Key Wind
-  OPENING EVENT
-  Sustainable City

TUESDAY 3 NOVEMBER

14:15 - 17:00

Ecomondo Key Energy
Digital Platform

Key Storage

Key Energy Event

ENERGY STORAGE: STATE OF THE ART AND FUTURE DEVELOPMENTS

Language: Italian

14:30 - 17:00

Ecomondo Key Energy
Digital Platform

Key Efficiency

Key Energy Event

The integration and evolution of energy networks for the development of renewable sources

Language: Italian

14:30 - 17:00

Ecomondo Key Energy
Digital Platform

Key Efficiency

Key Energy Event

Next Generation EU. The lever of energy efficiency and the driving role of ESCOs.

Language: Italian

14:30 - 17:30

Ecomondo Key Energy
Digital Platform

OPENING EVENT

Opening event

Ecological conversion after Covid19 and new EU 2030 targets

Language: Italian

WEDNESDAY 4 NOVEMBER

09:30 - 12:30

Ecomondo Key Energy
Digital Platform

Key Energy
Key Energy Event

The future of hydrogen in Italy

Language: Italian

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Key Efficiency
Key Energy Event

White certificates: tools and news

Language: Italian

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Key Efficiency
Key Energy Event

The push of renewables and energy efficiency for the relaunch of the national economy. The initiatives of the GSE

Language: Italian

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Key Efficiency
Key Energy Event

Language: Italian

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Key Wind
Events

Climate crisis and energy transition: the wind project off the Rimini coast and the enhancement of the territory through a green community independent of fossil sources

Language: Italian

10:00 - 13:00

Ecomondo Key Energy
Digital Platform

Key Wind
Key Energy Event

How to deliver the European 2030 climate & energy targets. The role of wind energy in Southern Europe and in Italy. VERSIONE CON TRADUZIONE SIMULTANEA INGLESE

Language: English
Simultaneous translation: Italian

10:00 - 13:00

Ecomondo Key Energy
Digital Platform

Key Wind
Key Energy Event

How to deliver the European 2030 climate & energy targets. The role of wind energy in Southern Europe and in Italy VERSIONE CON TRADUZIONE SIMULTANEA ITALIANA

Language: English
Simultaneous translation: Italian

10:00 - 13:00

Ecomondo Key Energy
Digital Platform**Key Efficiency**
Key Energy Event

Rethinking the electricity market for the energy transition. Market design to the test of decarbonisation

Language: Italian

10:30 - 12:00

Ecomondo Key Energy
Digital Platform**Key Storage**
Key Energy Event

Frequency regulation: present and future for FER and storage

Language: Italian

11:30 - 13:00

Ecomondo Key Energy
Digital Platform**Sustainable City**
Key Energy Event

Digital light, architecture and social well-being

Language: Italian

14:30 - 17:00

Ecomondo Key Energy
Digital Platform**Sustainable City**
Key Energy Event

The evolution of services to citizens: Utilities compare

Language: Italian

14:30 - 17:00

Ecomondo Key Energy
Digital Platform**Sustainable City**
Key Energy Event

Sustainable and low-emission mobility: renewing the vehicle fleet in Italy

Language: Italian

14:30 - 17:30

Ecomondo Key Energy
Digital Platform**Key Efficiency**
Key Energy Event

Language: Italian

14:30 - 18:00

Ecomondo Key Energy
Digital Platform**Sustainable City**
Events

XXI Ecohitech Award: Italian smart cities and digitalization of PA

Language: Italian

14:30 - 18:00

Ecomondo Key Energy
Digital Platform**Key Energy**
Key Energy Event

The role of P2G and hydrogen for the decarbonisation of industry and the energy sector

Language: Italian

14:30 - 18:00

Ecomondo Key Energy
Digital Platform

Key Efficiency
Key Energy Event

Measurement and verification of energy savings

Language: Italian

14:30 - 18:00

Ecomondo Key Energy
Digital Platform

Key Wind
Key Energy Event

Administrative simplification linked to the frontier of technological innovation in the eolic sector

Language: Italian

THURSDAY 5 NOVEMBER

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Key Energy
Key Energy Event

Conference "Renewable energies and agricultural enterprises: a possible marriage"

Language: Italian

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Key Efficiency
Key Energy Event

Finance for Energy Efficiency: Superbonus 110% a new opportunity

Language: Italian

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Sustainable City
Key Energy Event

The Mission "Smart and Carbon-Neutral Cities": the new horizon for Cities in Europe VERSIONE CON TRADUZIONE SIMULTANEA ITALIANA

Language: Italian
Simultaneous translation: English

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Sustainable City
Key Energy Event

The Mission "Smart and Carbon-Neutral Cities": the new horizon for Cities in Europe VERSIONE CON TRADUZIONE SIMULTANEA INGLESE

Language: Italian
Simultaneous translation: English

10:00 - 12:00

Ecomondo Key Energy
Digital Platform

Key Energy
Key Energy Event

EnergiAgricolaKm0, the first agro-energy community

Language: Italian

10:00 - 13:00

Ecomondo Key Energy
Digital Platform

Key Solar
Key Energy Event

Opportunities and challenges for utility scale Photovoltaics VERSIONE CON TRADUZIONE SIMULTANEA INGLESE

Language: English
Simultaneous translation: Italian

10:00 - 13:00

Ecomondo Key Energy
Digital Platform

Key Solar
Key Energy Event

Opportunities and challenges for utility scale Photovoltaics VERSIONE CON TRADUZIONE SIMULTANEA ITALIANA

Language: English
Simultaneous translation: Italian

14:00 - 16:00

Ecomondo Key Energy
Digital Platform**Sustainable City**
Key Energy Event

Villages and Communities: Opportunities for enhancement and restart

Language: Italian

14:30 - 17:30

Ecomondo Key Energy
Digital Platform**Sustainable City**
Key Energy Event

Electric Renaissance: how zero-emission mobility changes cities

Language: Italian

14:30 - 18:00

Ecomondo Key Energy
Digital Platform**Key Efficiency**
Key Energy Event

Energy efficiency in industrial and tertiary sectors: six stories to lead the change

Language: Italian

14:30 - 18:00

Ecomondo Key Energy
Digital Platform**Sustainable City**
Key Energy Event

Self-consumption and energy communities: The role of cogeneration as essential technology for the circular sustainability.

Language: Italian

14:30 - 18:30

Ecomondo Key Energy
Digital Platform**Key Wind**
Key Energy Event

Offshore Wind

Language: Italian

15:00 - 17:30

Ecomondo Key Energy
Digital Platform**Key Solar**
Key Energy Event

Energy communities: new projects and the challenges of the transposition of the Directive 2018/2001

Language: Italian

16:30 - 18:00

Ecomondo Key Energy
Digital Platform**Key Energy**
Events

Presentation of the book "Green Business – sustainability and resilience stories of the green Made in Italy economy".

Language: Italian

FRIDAY 6 NOVEMBER

09:30 - 13:00

Ecomondo Key Energy
Digital Platform

Key Efficiency
Key Energy Event

Research and innovation for energy efficiency: challenges and future perspectives

Language: Italian

10:00 - 12:30

Ecomondo Key Energy
Digital Platform

Key Storage
Key Energy Event

Energy storage for electricity grids: development and prospects in a scenario with strong decarbonisation

Language: Italian

10:00 - 13:00

Ecomondo Key Energy
Digital Platform

Sustainable City
Key Energy Event

Assessing sustainability: city-scale tools and experiences

Language: Italian

10:00 - 14:30

Ecomondo Key Energy
Digital Platform

Key Energy
Key Energy Event

Energy requalification of buildings: the super bonus at 110%

Language: Italian

11:00 - 13:00

Ecomondo Key Energy
Digital Platform

Sustainable City
Events

The future of energy communities in Italy. Renewable sources and the active role of citizens

Language: Italian
